Mr. HATFIELD, from the Committee on Appropriations,  
submitted the following

REPORT

The Committee on Appropriations submits the following report pursuant to sections 302(b)(1) and 602(b)(1) of the Congressional Budget Act of 1974, as amended.

The Budget Act requires that as soon as practicable after a concurrent resolution on the budget is agreed to, the Committee on Appropriations shall submit to the Senate a report subdividing among its subcommittees the new budget authority and total outlays allocated to the Committee in the joint explanatory statement accompanying the conference report on such resolution. The conference report on the concurrent resolution for fiscal year 1995 (H. Con. Res. 67) was agreed to by Congress on June 29, 1995.

AMOUNTS CONTAINED IN THE BUDGET RESOLUTION

Pursuant to sections 302(a)(2) and 602(a)(2) of the Congressional Budget Act of 1974, as amended, the joint explanatory statement accompanying the conference report on the concurrent resolution on the budget for fiscal year 1996 (H. Rept. 104-159) contains an allocation of \$772.349 billion in budget authority and \$807.374 billion in outlays to the Senate Committee on Appropriations.

Of these amounts, under section 201 of the concurrent resolution on the budget, not more than \$265.406 billion in budget authority and \$264.043 billion in outlays may be used for defense discretionary spending, while nondefense discretionary appropriations are limited to \$219.668 billion in budget authority and \$267.725 billion in outlays.

In addition, the Committee receives an allocation of \$4.087 billion in budget authority and \$2.227 billion in outlays for the violent crime reduction fund, which was established by title XXXI of the

**ALLOCATIONS TO SUBCOMMITTEES OF DIRECT SPENDING**

Section 302(b)(1)(B) of the Budget Act, requires that the Committee subdivide its allocation of budget authority and outlays to subcommittees between controllable and other amounts. For the purposes of this section, amounts listed as mandatory are not controllable. Section 602(b)(1) requires that the Committee subdivide its allocation of budget authority and outlays for discretionary spending consistent with the budget resolution—among its subcommittees. The following table sets forth by subcommittee, in conformance with the above sections of the Budget Act and section 201 of the budget resolution, the Committee allocations of budget authority and outlays:
